From the 2023 AGM - 13 March

President Terry-Anne Maunsell presented her report at the AGM:

"It is wonderful to be able to hold an AGM in a relatively restriction free atmosphere.

"Last AGM we had resumed Monday and Tuesday sessions albeit with small numbers and were still negotiating with Easts Club re the resumption of Wednesday sessions. Thankfully we were able to resume Wednesday sessions fairly soon after. Over the year the number of tables at each session has slowly been increasing and it has been wonderful to see so many familiar faces returning.

"Numbers are not yet back to pre Covid levels for a number of reasons including many of our members taking the opportunity to again undertake overseas travel. Our experiment of Tuesday night sessions was not very successful but may be revisited in the coming year.

"Our Beginner's classes have been popular with the latest commencing a week ago with 20+ participants. Some are people who had their previous course curtailed by Covid but most are those who have heard by word of mouth from members or previous students.

"We now have 114 members and our financial situation is recovering after the losses incurred during lockdowns etc. We have been able to resume offering free game tickets to monthly winners and to the top pair (N/S or E/W) when there are 10 or more tables.

"A big occasion during the year was the 100th birthday of **Maurice Steinfeld**. We were honoured to be able to celebrate this big day with Maurice and his family. Many members attended to wish him all the best and enjoy the pizza and drinks we funded with him. There was also a delicious cake supplied by Easts Club who also arranged a photographer to record the occasion. Many thanks to Nicoleta who together with the family arranged a slide show of photographs of Maurice's life.

Bridge sessions at Easts

Tuesday	1 - 3.40 (Talk at 12.45)

State Mixed Pairs Qualifying

Three **Mondays** - 17, 24 Apr & 1 May

"I have to thank Cain Price and Brett Crastin from Easts Club for their assistance. While many of you might complain when we have to cancel sessions because of other bookings for the Bondi Room, you have to appreciate the fact that we have use of the room gratis. If we had to pay for the hire of a venue, our fees and table money would be considerably higher.

"Special thanks to Nick for taking over as editor of the Newsletter this past year and to both him and Nicoleta for directing us through many sessions.

"Thank you to the Committee for your support and friendship, it is much appreciated.

Treasurer's Report for AGM

As a sub-club of Easts Leagues Club, the financial year for the bridge club ends on 31st October each year.

At the end of October 2022, the bridge club bank balance was \$16,437 compared to \$11,161 a year earlier. While this is well below our bank balance before the pandemic, it was sufficient to service our members and to conduct small after-bridge events, as well as to award prizes to winners.

Since then, our bank balance has increased to \$24,624, mainly from membership fees, and significant increases in the number of players at each bridge session. Some of this has to be remitted to the Australian Bridge Federation for affiliation fees at the end of March. Also, because of the pandemic, the bridge club executive has prudently managed our expenditure.

Note that prior to the current year, our financial results were impacted by both Coronavirus and the unavailability of Easts Leagues Club. Unfortunately, as I have been overseas for several weeks, I have not had the opportunity to complete detailed accounts, nor a budget for the current year. However, these will be available for members by the end of April.
